

GREAT JAVA RAIL TOUR

**Tour
de Force**
TRAVEL

Dear Traveller,

We have great pleasure in enclosing our
2024 GREAT JAVA RAIL TOUR brochure.

Since I first conducted the tour way back in 1985, hundreds of happy travellers have returned with glowing reports – in fact it is flattering to note, several travellers have repeated the tour not just once – but three times!

The journey though Java encompasses train travel in a comfortable, reclining seat carriage together with a special lounge car, both for our exclusive use. These are attached to daylight trains and traverse Java's spectacular tropical scenery.

To make the tour relaxing, every night is fully accommodated in beautiful four-star hotels with a minimum stopover of two nights. All this with most meals included. In fact, one hotel, the Tugu Park in Malang is listed as one of the 100 most beautiful hotels in the world!

Travelling through Java by train is an absolute treat and a truly fascinating way to view the pristine rural hinterland of Java. Just sit back and watch the ever-changing panorama at your window whilst lunch and refreshments are served at your seat.

For avid train buffs a chartered vintage train excursion behind a 120-year-old steam locomotive is sure to delight!

As well, you will enjoy heaps of wonderful side trips where you can meet the locals and discover their unique culture and way of life.

Bookings for the tour are again expected to be heavy so we suggest, to avoid disappointment, you contact Carol at Tour de Force Travel today on 9246 2177 or email travel@tourdeforce.com.au to register your booking.

I look forward to having you aboard!
